## **City Council Approves Boat Launch Fees; Free Resident Season Pass**

Marysville residents can launch their watercrafts for free this summer with a season pass. The Marysville City Council unanimously passed the free season pass vote at their April 14 meeting. Without a season pass, residents will be charged the non-resident daily launch fee of \$7.

Free resident launch passes may be obtained in the Recreation Department in Marysville City Hall, 1111 Delaware Avenue. Residents must bring in their driver's license, automobile license plate number and watercraft registration to obtain the pass. All vehicles and watercrafts must have the same address. Permits may be obtained during normal business hours from 8 a.m. – 4:30 p.m., Monday through Friday.

Residents may also obtain a season pass after hours. Pass submissions will be accepted via U.S. Mail or in the City Hall front door drop box and must include driver's license and watercraft registration copies as well as the automobile license plate number. Passes will be mailed after processing.

Season passes are not available at the launch site.

For more information contact the Marysville Recreation Department at 810-455-1301.
