Marysville Department of Public Service 'No Shave November' Event to Raise Awareness of Community's Less Fortunate

November 11, 2014 – Move over Duck Dynasty! During the month of November, Marysville Department of Public Service employees are participating in 'No Shave November.' Employees are growing beards to raise awareness of less fortunate families who reside in the City of Marysville. Those who grow beards will contribute to a monetary fund which will be donated to the Marysville SOS Food Pantry located at 2929 Gratiot Blvd.

The DPS is also seeking donations to fulfill its 'Fill the Van with Cans' campaign. Beginning immediately, community members may bring non-perishable or personal hygiene items to the van located in front of the DPS building at 200 14th Street. Donations will be accepted Monday through Friday from 8 a.m. – 4:30 p.m. and at all other city buildings. The DPS's goal is to fill the van with these donations which will ultimately be delivered to the food pantry. Progress photos will be posted on the city's Facebook page.

The DPS will end 'No Shave November' by celebrating 'Moustache Monday' on December 1. Staff who grew beards will shave off all facial hair and leave eccentric-looking moustaches.

Please take the time to donate to the campaign. Your donation may help a friend or neighbor in need.

For more information, please contact Barry Kreiner, Director of Department of Public Works, at (810) 364-8340.
