PRESS RELEASE

MARYSVILLE GENISYS CREDIT UNION ROBBER ARRESTED

On 12/11/14 an FBI Task Force along with the Lansing Police Department arrested 6 individuals wanted in connection with at least 10 Credit Union robberies across the state. This includes the robbery of the Genisys Credit Union branch in Marysville that was robbed on 10/07/14.

The arrest occurred on a traffic stop in which the 6 suspects were traveling in 2 vehicles enroute to an undisclosed Credit Union for another robbery. The suspects were wearing makeup, had the address of their next intended target programmed into their GPS, and also had the app installed on their cell phones to monitor the Lansing Police Department radio traffic.

Names and ages are being withheld until their arraignments, but all 6 suspects are believed to be residents of Detroit.

The 6 suspects were taken into custody without incident as part of the ongoing investigation and cooperation of the Lansing field office of the FBI, the Lansing Police Department, and the Marysville Police Department. All 6 have been turned over to the FBI to be arraigned on Bank Robbery charges.
