

# 2016 Marysville Christmas Parade

## Saturday, December 3rd

Thank you for joining Marysville's 2016 Lighted Christmas Lighted Parade. This year we starting the parade at 5:00pm to allow all participants to use decorations with lights on the trucks and floats, or even the costumes. Be creative!

Parade Details: The parade starts in the parking lot of Village Green Plaza. Please find the Parade Director at Spring Grove to check in starting at 3:30pm. Have your group in your spot by 4:30, as the parade will begin promptly at 5:00pm.

Join us after the parade at the Christmas Tree Lighting Ceremony in the park and enjoy a cup of hot cocoa with a cookie!

\*Just a reminder about passing out candy: Please do not throw it from your float/ truck. We recommend handing the candy to the children watching as this does not litter our streets.\*

If you have any questions, please contact Stefanie DeNardin at the Recreation Department:  
810-455-1302.

Thank you!

*Please return the bottom portion to the Recreation Department by November 30, 2016.*
