

Marysville Recreation 5 year Master Plan

Every 5 years, the recreation department is required to redo our recreation master plan to be able to apply for grants throughout the state, and it also provides an outline of projects and improvements to complete within our city. Once you have look through the master plan, please fill this form out with changes you would make to the plan and return to Stefanie DeNardin at: sdenardin@cityofmarysvillemi.com or mail to: Recreation Department, 1111 Delaware Ave, Marysville, MI 48040. Thank you for your input!
