FOR IMMEDIATE RELEASE
June 2, 2017

Beginning Monday, June 5, 2017 the Marysville Department of Public Works has scheduled a sanitary sewer inspection for District D in our city. District D includes the following areas:

1st Street
4th Street (369 only)
Carolina (north portion)
Connecticut (7—318)
Forest Lane
Hemlock Lane
Liberty (47—117)
Michigan Avenue (10—253)
Ravenswood (3921—4331)
St. Clair Blvd.

The contractors performing the cleaning and inspection are RedZone Robotics and Tri-County Vac Services. Estimated completion date is September 1, 2017.

Letters were mailed to affected properties. See attachments for further details.

Residents do not need to take further action unless a manhole is blocked on their property.

Please contact our DPW at (810) 364-8340 with any questions.
