## News About Your Neighborhood

The City of Marysville would like to inform you about a sanitary sewer evaluation project that will be completed in your neighborhood. With the help of their Consulting Engineer, Hubbell, Roth & Clark, Inc. (HRC), the City will be cleaning and televising the sanitary sewers and/or inspecting sanitary sewer manholes. The contractor performing the work is Tri-County Vac Services, along with their subcontractor Michigan Pipeline Inspection, Inc.. A crew will be conducting the investigation in your area between June 1, 2017 and September 1, 2017. You may receive subsequent notification requesting removal of obstructions that may be preventing access to a manhole on or near your property. **However, you currently do not need to do anything at this time.**

Every effort will be made to minimize your inconvenience. If you have any questions, please contact one of the people listed below.
